International Eight Metre (8mR) North American Championships

August 12 -14, 2016 Hosted by the Royal Canadian Yacht Club

HOLLANDIA and ISKAREEN Winners of the modern and classic race classes.

In a run-up regatta that gave us all a taste of the competition to come in the International Eight Metre World Cup (August 20-26) the 8mR North American Championships were held this past weekend on Lake Ontario off Toronto Island.

Eleven yachts, five moderns and six classics enjoyed perfect conditions on Friday and Sunday to get 2 long races in each day. Saturday started with a postponement ashore due to light air. By the time the delayed start got underway storm cells were moving in with gusts over 30 knots that forced the race to be abandoned.

Bryan Gooderham and TEAM Hollandia of the RCYC are the North American Champions with Ralph Reiman's Iskareen of Etobicoke Yacht Club the winner of the Classic division.

King Harald of Norway and his 8mR Sira took second place overall in the classic fleet.
